## DETAILED PROJECT DESCRIPTION

At Presagis we value the confidentiality and privacy of our customer's private information. Information designated as private by our customers will not be provided to anyone other than a Presagis employee.

Due to the nature of our products, it is important that we understand clearly your end -use application, so that we can ensure that the proper export paperwork is filed with the government, either yours or our own. The information you provide will help us get the software to you faster and ensure that you are not delayed by unnecessary paperwork in the future.

**Application Type** (*check one*):

- COMMERCIAL
- GOVERNMENT (NON-MILITARY)
- MILITARY

\* If you selected Military, you will need to provide name of government, or military programs/ entities that will use the software i.e. "US Army Predator UAV Simulation Trainer"

**Detailed description of end-use application** (*required*):

## \* IMPORTANT NOTICE CONCERNING ITAR PRODUCTS

The below products in **red** shaded by grey are **ITAR controlled products** and will require further government authorization to be shipped outside of the USA. Your Presagis Sales contact or Authorized Reseller will be able to assist you in obtaining the appropriate documentation to apply for export authorization for these technologies.

Evaluations in Canada require the completion of a Technical Data Agreement in addition to the Evaluation Agreement. Please contact Presagis Order Administration to obtain these documents.

Presagis sensor technology is controlled by the United States of America's International Traffic in Arms Regulations (ITAR), 22 C.F.R. §§ 120-130 (2002).

## PRESAGIS CANADA INC. / PRESAGIS USA INC. (“PRESAGIS”) SOFTWARE PRODUCT TRIAL EVALUATION AGREEMENT

Evaluation Period:

Start Date:

End Date:

Use of the Products during the Evaluation Period will be governed solely by the terms of this agreement and the Presagis Software License Agreement included in the Product.

Presagis hereby grants Company a license to evaluate the above proprietary Product(s) during the Evaluation Period. Company may use the Product(s) internally solely for evaluation purposes. Any other use of the Product including without limit, for the generation of revenue is expressly prohibited.

Company shall keep confidential all documents, materials and information provided by Presagis. Company may not copy or disclose the same or use the same for any purpose other than the evaluation of the Product(s);

It is anticipated that the Product(s) will be delivered to Company on the Start Date. If, before the End Date, Company does not elect to enter into an agreement with Presagis to obtain a license for the continued use of the Product(s), Company will return to Presagis all documents and materials delivered to Company relating to the Product(s) and certify to Presagis, in writing, that all copies or partial copies of any documents and materials have been deleted from every computer library and storage device under Company’s control, that the Product and any copies are no longer in use by or on behalf of Company; and that the Product and all copies have been either returned to Presagis or destroyed.

Some of these Products are subject to United States export controls. No Presagis products may be disclosed, downloaded or otherwise exported or re-exported directly or indirectly: into (or to a national or resident of) any other country to which the United States has embargoed goods; or any organization or company on the United States Department of Treasury lists of Specially Designated Nationals, Specially Designated Terrorists, and Specially Designated Narcotic Traffickers, nor listed on the United States Department of Commerce Entities List, Table of Denial Orders or Denied Parties List. Presagis Products may not be used for any purposes prohibited by United States law, including, without limitation, for the development, design, manufacture or production of nuclear, chemical or biological weapons for mass destruction. By downloading, installing or using the Product and/or receiving maintenance, Company agrees to fully comply with all applicable import and export laws and regulations of the United States and other countries including the Export Administration Regulations, 15 C.F.R. §§ 730-774 (2002), and the International Traffic in Arms Regulations, 22 C.F.R. §§ 120-130 (2002), in handling software received from Presagis. Licensee agrees that it will not re-export or release software received from Presagis, directly or indirectly, to a national or entity debarred, suspended or under embargo by the United States Government, or export to any of those destinations the direct product of the Presagis software from this site. Licensee also warrants that it is not under the control of, located in, or a resident or national of any such country or on any such list and will not use the Product in violation of any applicable law or regulation.

**COMPANY AGREES THAT PRESAGIS MAKES NO WARRANTIES OR REPRESENTATIONS, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE PRODUCT(S) AND THAT IN NO EVENT WILL PRESAGIS BE LIABLE TO COMPANY OR TO ANY OTHER PERSON OR ENTITY FOR ANY LOSS, INCLUDING TIME, MONEY, GOODWILL AND CONSEQUENTIAL DAMAGES WHICH MAY ARISE FROM COMPANY’S USE OF THE PRODUCT(S).**

This agreement may not be assigned or transferred either directly or by operation of law without the prior written consent of Presagis. Title to the Product(s) will, at all times, remain with Presagis and Company acknowledges that each Product is proprietary to, and constitutes a trade secret of, Presagis.
